NU-ARBOR Plant & Tree Wash

Warning.

Causes eye irritation, may be harmful if swallowed.

Avoid breathing mist. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves/clothing/eyewear/face. If on skin: Wash with plenty of soap and water. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do, continue rinsing. Call a poison center/doctor if you feel unwell. If skin or eye irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. Dispose of contents/container in accordance with local/regional/national regulations.

DIRECTIONS

NU-ARBOR Plant Wash is stable - no special storage precautions needed.
Disposal - as with other natural soaps, no special disposal problems are present in this product. Dispose of in accordance with State and Local regulations.

KEEP OUT OF REACH OF CHILDREN

Keep container tightly closed when not in use. Never pour leftover material back into container. Avoid freezing in storage. Recommended storage limit is 18 months.

Warning

NU-ARBOR Plant Wash being an alkaline product is not recommended for use on Delicate Ferns, Nasturtium, Sweet Pea, Violet, Mountain Ash, Japanese Maple, Horse Chestnut and other tender leaf plants as the soap can cause damage.

First Aid

Concentrated NU-ARBOR Plant Wash being an alkali can cause irritation of the eye and skin. Do not get it into eyes, wash thoroughly with fresh water and get medical attention. Ingestion: give victim several glasses of water and get medical attention.

VEGETABLE OIL SOAP

NU-ARBOR Plant Wash is a Vegetable Oil Soap Product

DIRECTIONS FOR USE

NU-ARBOR Plant Wash mixes readily with water and may be used in all types of sprayers. For best results apply full coverage spray on entire leaf surface. Use a large volume of solution to create a washing effect. Spray in the coolest and humid time of the day.

Product can be used on all plants, trees, commercial food crops with no residue tolerance. One can use NU-ARBOR Plant Wash to the day of harvest.

Young ornamentals use 1-400 dilution.

Mature plants use 1-100 dilution.

Fruit trees use 1-200 to 1-400 dilution.

Berries and vegetables use 1-100 to 1-200 dilution.

Apply between dormancy and harvest. Use a higher rate of Plant Wash if it does not go into solution because of hard water. Can be mixed with fertilizers, fungicides as long as they are not acidic and a compatibility test has been done.

Warranty

1.-The manufacturer guarantees and warrants that the content and the total net weight are as stated within lawful limits.

2.-Liability of NU-ARBOR under this warranty or otherwise shall be limited to refund of the purchase price and such refund is expressly agreed by the buyer to be the exclusive remedy.

NU-ARBOR makes no other expressed or implied guarantee, warranty or representation, including warranties of merchantability and fitness for a purpose. NU-ARBOR shall not be liable for direct consequential or incidental damages. No modifications of this warranty and the disclaimers herein are authorized or valid unless expressed in writing and signed by NU-ARBOR.
